Celebrating life, care and connection together

A Summer Full of Fun, Friendship and Fresh Air!

Summer has been in full swing at Providence Place, and our Recreation and Spiritual Care teams have been busy creating meaningful opportunities for residents to connect, socialize, and enjoy all that the season has to offer.

We've been making the most of the beautiful weather with outdoor walks, meals outside, entertainment in the sunshine, and a variety of community outings. Whether enjoying time with friends, listening to live music, or sharing a favorite treat, residents have been embracing all the joys of summer.

Hometown Fair Parade

One of our biggest highlights this summer was attending the Hometown Fair Parade. With the help of our amazing volunteers, 28 residents joined us for this year's parade themed "Salute to Heroes."

The Recreation Team decorated our bus to recognize the many careers and professions represented by our residents throughout their lives. From healthcare workers and teachers to farmers, tradespeople, and community leaders, it was a wonderful tribute to the contributions they have made over the years.

Although we encountered a little rain along the way, our plastic ponchos kept us prepared, and everyone enjoyed an evening filled with fun, laughter, and community spirit.

Providence Place's First Ever Car Show

Our first-ever Providence Place Car Show was an incredible success!

The event attracted 38 vehicle entries, including four vehicles entered by residents from our home. Visitors enjoyed a wide range of vehicles, from Harley-Davidson motorcycles and a 1983 fire truck to classic and specialty vehicles of all kinds.

The event brought together residents, families, community members, volunteers, and car enthusiasts for a day filled with memories, stories, and admiration for these incredible vehicles.

Thank you to everyone who participated and helped make this event so successful! Donations from the event will go to the Resident Council and Maguire Centre

Your Voice, Your Choice

At Providence Place, we believe that recreation should be meaningful, engaging, and centered around the interests of our residents.

Through our Your Voice, Your Choice initiative, residents are encouraged to share their ideas, interests, and feedback to help shape recreation programming. Whether it's suggesting a new outing, favorite entertainment, social event, or lifelong hobby, your voice helps guide the activities we offer.

Our goal is to create experiences that reflect what matters most to residents—because meaningful recreation begins with listening and providing opportunities that promote purpose, connection, enjoyment, and choice.

We encourage residents and families to continue sharing ideas with our Recreation Team. Together, we can create programs that truly matter to you.
