

August Days

by Lenore Hetrick

The last of summer and the first of fall –
Together they stand in August Days.
The garden is bright with summer bloom,
And yet there creeps up that autumn haze.
You can look forward or look backwards
To a lovely summer you would recall,
But the changing of the season has come –
The last of summer and the first of fall.

Providence Place Recreation, Spiritual Care, Volunteer Services

Celebrating life, care and connection together

A Summer Full of Fun, Friendship and Fresh Air!

Summer has been in full swing at Providence Place, and our Recreation and Spiritual Care teams have been busy creating meaningful opportunities for residents to connect, socialize, and enjoy all that the season has to offer.

We've been making the most of the beautiful weather with outdoor walks, meals outside, entertainment in the sunshine, and a variety of community outings. Whether enjoying time with friends, listening to live music, or sharing a favorite treat, residents have been embracing all the joys of summer.

Hometown Fair Parade

One of our biggest highlights this summer was attending the Hometown Fair Parade. With the help of our amazing volunteers, 28 residents joined us for this year's parade themed "Salute to Heroes."

The Recreation Team decorated our bus to recognize the many careers and professions represented by our residents throughout their lives. From healthcare workers and teachers to farmers, tradespeople, and community leaders, it was a wonderful tribute to the contributions they have made over the years.

Although we encountered a little rain along the way, our plastic ponchos kept us prepared, and everyone enjoyed an evening filled with fun, laughter, and community spirit.

Providence Place's First Ever Car Show

Our first-ever Providence Place Car Show was an incredible success!

The event attracted 38 vehicle entries, including four vehicles entered by residents from our home. Visitors enjoyed a wide range of vehicles, from Harley-Davidson motorcycles and a 1983 fire truck to classic and specialty vehicles of all kinds.

The event brought together residents, families, community members, volunteers, and car enthusiasts for a day filled with memories, stories, and admiration for these incredible vehicles.

Thank you to everyone who participated and helped make this event so successful! Donations from the event will go to the Resident Council and Maguire Centre

Whether enjoying a cold beverage, sharing conversation with family and friends, or treating themselves to an ice cream, the Homesteader remains a welcoming and enjoyable place to connect.

Homesteader is open: Monday through Friday 2 - 4p.m.

Your Voice, Your Choice

At Providence Place, we believe that recreation should be meaningful, engaging, and centered around the interests of our residents.

Through our Your Voice, Your Choice initiative, residents are encouraged to share their ideas, interests, and feedback to help shape recreation programming. Whether it's suggesting a new outing, favorite entertainment, social event, or lifelong hobby, your voice helps guide the activities we offer.

Our goal is to create experiences that reflect what matters most to residents—because meaningful recreation begins with listening and providing opportunities that promote purpose, connection, enjoyment, and choice.

We encourage residents and families to continue sharing ideas with our Recreation Team. Together, we can create programs that truly matter to you.

Thank You

We are incredibly grateful for the dedication of our Recreation and Spiritual Care teams, our volunteers and the continued support of residents and families.

Your participation, enthusiasm and support help make Providence Place a vibrant and welcoming community.

Spiritual Care

Spiritual Care programming continues throughout the summer months providing opportunities for worship, reflection and fellowship.

Residents can regularly participate in:

Spiritual Care Team

The Spiritual Care Team journeys with residents and their families from admission day to end of life. In this journey we are more than the providers of religious care. Entering LTC can bring with it a tremendous sense of loss. Our role is to assist individuals in this grieving process, not that we can eliminate the sense of loss, but we may be able to help individuals find a small aspect of peace. We are there no matter what!

*Come to me, all you
who are weary and burdened,
and I will give you rest.*

Matthew 11:28
